2016 Presidential Debate #1

As you watch the Presidential debate think about how the different candidates respond to the questions and issues that the moderator asks them. Record your thoughts, comments and questions in the area under the candidate's name. Be ready to discuss this information after the debate.

| Issue/ Question | Hillary Clinton | Donald Trump |
|---|------------------------|---------------------|
| Nuclear Weapons- Do you support the current policy? | | |
| National Security- Securing America Cyber attacks, secrets are being stolen, who is behind it? | | |
| Domestic Terrorism How will you prevent homegrown terrorist attacks? | | |

Economy (Trade)- How would you work to put more \$\$ in the pockets of American workers??

NATO- Not a specific question but a topic discussed.

Taxes- Fundamental differences tax cuts for wealthy (Trump), tax increases for wealthy (Clinton)- defend your position.

Crime and Race- Americans say the race relations are the worst they have been. How would you
